

## ***Greetings, Wisconsin!***

The Sprint Relay team is thrilled to provide relay services for the citizens of and visitors to the State of Wisconsin, effective December 29, 2009. A long history in the relay communications business demonstrates our strong commitment. Our ceaseless drive for innovation has been the key to expanding and improving accessible telecommunication options.

We are pleased to offer Spanish to English and Dedicated Voice Carry-Over (VCO), two new services in Wisconsin. The only number that has changed is 1-900.
